# HEARNE'S A Hearne's Bronchitis Cure Is the Finest Remedy in the World for COUGHS and COLDS -1 am writing to let you know of the great benefit derived by me from I am writing to let you know of the great center cerven by me from your Bronchitis Cure. It has saved my life. This winter I was away from home awhile and had a bad cold. I thought I would try and do without 'Hearne's' for once, but it was no use, my cold never moved for a week; and at last I got a bottle of 'Hearne's Bronchitis Cure' and the first dose moved the phlegm. By the end of the week, the cold was completely gone and I shall never again try and do without it, as it has done so much for me and saved me a tremendous lot of suffering. If you care to, you may publish as much as you please of this, and should anyone ever doubt what I have written, I will always be ready to and should anyone ever doubt what I have written, I will always be ready to answer any questions they like. Indeed, 'Hearne's Bronchitis Cure' is one of life's necessities to me, and owing to it, I have not had a bad attack of Bronchitis for three or four years now, but I always have it ready at the least sign of a cold and it affords instant relief. I know of so many instances of it curing after my recommending it, that no praise in my estimation is high enough."

60 SUITS

That are Really Hand-tailored.

Right from the start I will satisfy you.

From the time you choose your cloth and style, whether at my abop or from my catalog—you will get satisfaction. A hand-sewn suit of mine will continue to give good wear—will keep its shape and appearance—and please you for as long again as a machine-stitched suit will. Every suit of mine is moulded by a practical tailor—a man skilled in the art of perfection of fit and finish. That is the meaning of

# "MADE ON THE KNEE."

Made as a suit should be made—satisfactory in every way. I want to convince you that I mean what I say; that I give better quality material, better fit, and better finish than any tailor in the city, and charge you less. Call in to-morrow and examine a new parcel of superior cloths. There's English worsteds, Scotch woollens, and a fine lot of Marriok-ville Tweeds, in numerous patterns and shades. If you cannot call, fill up the coupon and send for my NEW CATALOG. It is different from others. It contains "exact" illustrations of DASH suits, and an assertment of distinctive patterns, FREE. Send to-day.

#### Gent.'s Own Material.

If you have your own material, send it to me to be made up. Have it made by a practical tailor; hand-made, like my suits. I will charge you less—too,

DONALD DASH.
